Welcome back!

We hope that you all had a lovely holiday and the children are well rested and looking forward to the start of the spring term.

Topics taught this term:

'Crime & Punishment,' for Years 5 & 6.

'Technology' for Years 3 & 4.

Accelerated Reader

During this half term, we will be gradually introducing a new reading system, to support pupils' decoding and comprehension skills.

It is most effective when it is also supported at home and we would therefore encourage parents to come and hear about how it will work in and out of school. Further details will follow.

You will be able to book these sessions in the normal manner (letter to follow).
