## **Uniform, PE and Forest School**

### **Introduction**

It is our school policy that all children wear school uniform when attending school, or when participating in school organised events outside normal school hours. The wearing of school uniform is important as it gives us a sense of unity and belonging. Staff encourage the children to take pride in their appearance, look smart and be proud to be part of Overstone Combined School. Our school colour is navy blue. We are proud of our appearance as a school and have high expectations of the children to always wear correct uniform. We will also remind children to wear the correct uniform throughout the year. If there is a reason why any child is not wearing the correct uniform we would ask parents to inform the school office or speak to the class teacher.

### **Aims and objectives**

Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in our school
- helps to create a sense of community and belonging towards the school
- identifies the children with the school
- supports our commitment to inclusion
- prevents children from wearing 'fashion clothes' that could be distracting in class
- is practical, smart and designed with health and safety in mind
- is considered good value for money by most parents

It is important that clothing during the summer months is appropriate i.e. dresses need to have sleeves in as children can easily get sunburnt on their shoulders. Children should be provided with sun hats as they will spend some of each day outside. Socks need to be worn and they should be at least ankle length, not trainer socks.

Jumpers, cardigans, waterproof coats, t shirts and polo shirts are available from the school uniform providers at a very reasonable price, either online (see the link on our website) or from the 'Wear2School' uniform shop on North Street, Leighton Buzzard. This is also where you purchase the school jumper or cardigan with the school logo. School ties are available from the school office.

Reception and KS1 children will require a book bag. These are available from the school office and are priced at £5.00 each. The Reception and KS1 children do not need a rucksack as this takes up too much space in their cloakroom areas. KS2 children need a small rucksack for all of their belongings. PE clothes can be stored in a small bag and there is an optional branded drawstring bag available on the uniform supplier website.

### **Forest School**

Children should be provided with waterproof trousers, jackets or all in one suits. Children should be provided with a change of clothes for forest school visits and these should comprise of long-sleeved tops and trousers (jogging bottoms are ideal rather than jeans) all year round. In the winter months plenty of warm layers are recommended. Spare socks should be provided and all children should wear wellington boots. Children also need gloves in the colder months.

### **Jewellery, Watches, Hair Ornaments, Make-up and Nail Varnish**

For health and safety reasons we do not allow children to wear jewellery. The exceptions to this rule are earring studs in pierced ears, and small objects of religious significance. Children are required to remove any items during PE lessons, or cover earrings with tape, to prevent them from causing injury. If children do wear earrings these should be plain gold or silver studs and the child should be able to remove them. Tape for covering earrings should be provided by the parent. No hoops or variations of small earrings please. Please note: Teachers are not permitted to remove earrings.

Wrist watches may be worn but only for the purpose of telling the time. 'Smart' watches linked to mobile phones are not permitted. Any watches are worn at the owner's risk.

Hair bands, ribbons/bows or 'scrunchies' should be blue in colour. Make up, tattoos and nail varnish should not be worn to school unless for an out of school hours function, for example a school disco.

We also ask that hair should be sensibly cut for school with no fashion haircuts. For health and safety reasons, to ensure it does not distract from learning and to limit the spread of head lice, we advise that children with hair beyond their shoulders should wear it up.

### **Footwear**

For health and safety reasons we do not allow children to wear shoes with platform soles, high heels, trainers or open toed, strappy sandals. All children are required to wear plain black shoes, without logos, as stated in the uniform list. During the winter months and inclement weather children may wear boots to and from school and can change into these for playtimes. All children will be expected to change their boots for their black leather school shoes during lesson time and whilst they are inside the school building.

### **The Role of Parents**

We believe that one of the responsibilities of parents is to ensure that their child has the correct uniform and PE kit, and that it is clean, in good repair and that the child's name is written on all items. If a parent has difficulties for any reason with fulfilling this request they are asked to speak confidentially to a member of staff to discuss the issues. Parents should be assured that we will do all we can to help. The school PTA also run 2<sup>nd</sup> hand uniform sales on a regular basis. The school welcomes children from all backgrounds and faith communities. If there are genuine reasons, for example on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will consider such requests sympathetically. If any parent would like to request a modification to the uniform policy they should, in the first instance, contact the Headteacher in writing.

### **The Role of Governors**

The governing body supports the Headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school uniform policy enables children to dress sensibly, in clothing that is hard wearing, safe and practical.
