Dear Parents/Carers,

Thank you to everyone who responded to our informal consultation to raise the school age to 4 and to change the status of our nursery under S27 to a community nursery. As we have previously stressed there will be no change to the age children are able to start in our nursery, this being the term after they turn 3.

Although we did not have a large number of returns, those we did have were overwhelmingly in favour of changing the status of the nursery and so we will now be moving to the next stage, going out to formal consultation.

More information regarding this proposed change can be found in the attached Annex. Please do not hesitate to contact the school if you require further information.

Yours faithfully

Mr S Fuller and Mr S Gates
