# INSET DAY 28TH MAY!

### Please name all items.

To help us return abandoned or lost items please clearly label what your child brings to school. Especially school jumpers.

**Please apply sun cream before school on hot and sunny days!**

**Don't forget to send in a water bottle everyday!**

Follow us on facebook

### School lunches

Book at [www.parentpay.com](http://www.parentpay.com) Hot menu now available from AiP. [School lunches](#)

**Class photos** will be on 21st June - These will be in school uniform. More info to follow.

### Music Tuition

Before the end of term we will be sending out information about music lessons provided by our external tutors that will be available in September.

## Covid -19 Reporting information

During half term the school still needs to monitor and react to any positive cases of Covid.

If your child has a **positive case** before the 30th May please email the school immediately by using the [admin@overstone-wing.org](mailto:admin@overstone-wing.org) email as we will have to inform anyone who had close contact with your child within 48 hours of the positive test and isolate your child's bubble.

We will be monitoring the email but we will not be in school to take telephone calls.

If anyone in your household has symptoms please request a polymerase chain reaction (PCR) test. The lateral flow test devices (LFDs) are only to be used to detect asymptomatic people and not those who have covid-19 symptoms or feel unwell.

If we are informed of a positive case you will receive an email from us if your child needs to isolate over the holiday. This will only happen if someone tests positive within 48 hours of being in school. If you are contacted by NHS test and trace and asked to isolate during the holiday please let us know when your child's return date will be.
